COLUMBIA PEAKS RETREAT

Revelstoke, British Columbia

Introducing Columbia Peaks Retreat

Whether you seek adventure on the nearby slopes (5-minutes to Revelstoke Mountain Resort) or a tranquil escape surrounded by nature, Columbia Peaks Retreat is available for monthly stays, inviting you to make Revelstoke your home away from home.

Welcome to Columbia Peaks Retreat, a stunning two-storey custom-built home, available for monthly stays, located in the heart of Revelstoke, British Columbia, nestled along the tranquil banks of the Columbia River with breathtaking views of the Monashee Mountains.

Live like a local -
Nestle into
Columbia Peaks

This meticulously designed home invites you into a world of luxury and comfort, boasting an open-concept living, dining, and kitchen area with a vaulted ceiling that enhances the sense of spaciousness.

The expansive windows frame the majestic Mt. Begbie, providing a picturesque backdrop to your daily life.

The professionally equipped kitchen, adorned with granite countertops and a spacious island, is a haven for private chefs, gourmets, and those who love to entertain. Flowing seamlessly into the dining and great room, complete with a rock surround fireplace, amenity bar, and a Smart TV ascending from the floor, this space sets the stage for cozy movie nights on the couch.

The home features
a master suite &
ensuite bathroom

as well as two large upper-floor bedrooms that can be configured for couples or adjusted to twin beds to accommodate larger groups.

The expansive bathroom on this floor offers a soaker tub, glass shower, and a double vanity. Additional private retreat spaces include a media room with **70" Smart TV** and den, perfect for work or relaxation.

Practical amenities abound, with ample parking for vehicles, a heated garage, outdoor parking, and secure storage for ski and snowboard gear, complete with boot and gear drying space in the large laundry room. The highlight of the property is an **8-person hot tub** located off the master bedroom, offering unparalleled views of the surrounding mountains and star-filled night skies.
